Clair & Friends,

Spiritual disciplines like prayer and fasting should be a regular part of every believers life. Through a consistent life of prayer and fasting the soil of our hearts are nourished for God’s will to be done. I’ve practiced these spiritual disciples for quite some time and am the beneficiary of great spiritual growth and fortitude.

Therefore, I invite you to join me. The attached calendar is my personal schedule that you may follow. In it, you will find my prayer focus for each day and the things I am fasting from each week. Recall, fasting is more a sign of intentional commitment to sacrifice something that we pleasure in lieu of drawing nearer to God.

Should you join me in these weekly prayer and fasting rituals, please use your discretion when abstaining from food and drink. You should consult with your primary care physician before beginning any fasting regime.

Let us grow deeper in faith together.

Pastor Rich

Financial Appeal

We want to thank our members and friends who continue to sow into this ministry. Your financial contributions help us address local, state, national and international needs. If you do not currently sow into this ministry, we invite you to trust God and give. We believe, if we give, God will return it to us in good measure, pressed down, shaken together and running over. Your donation will help us continue to spread the gospel of Jesus Christ around the world.

Clair Memorial Church Reopening

We are taking serious safety precautions and monitoring the rise of the Omicron variant. As we return, it is important to establish an environment that provides safety and comfort for both those attending service and volunteers working on Sunday mornings. After much prayer and careful planning, we have implemented the following safety protocols. I encourage you to review this entire document.

Three-step check-in process upon arrival

- Temperature check required for all persons entering the building
- All guests will sign a contact tracing sheet
- All guests will sanitize hands - We recommend everyone wash their hands often with soap and water for at least 20 seconds or use hand sanitizer upon arrival and each time upon exit and re-entry of the building.

Sanctuary

- Masks are mandatory for all persons and will be worn at all times on the premises. We will provide masks to our members/guests if needed.
- We diligently enforce on-site social distancing measures. All guests will be seated in every other row. Persons in the same household may sit together.
- Limited movement during the service
- Each in-person service will be recorded for our online viewing audience.
- Only plan to come to church if you are not, and for a period of 14 days prior have not, experienced any symptoms related to COVID-19.

We look forward to resuming in-person worship services in the New Year with all of you. Please invite family and friends to join us for this grand occasion.
